Short Term Training Programme on "Digital Economy: AI Tools, Governance, and Policy"
- From 24th to 28th August 2026 (In Singapore)

We would like to inform you that the Government of Singapore has invited nominations for the upcoming training programme titled "Digital Economy: AI Tools, Governance, and Policy" organized under the Singapore Cooperation Programme (SCP) and conducted under the auspices of the Japan-Singapore Partnership Programme for the 21st Century (JSPP21).

The Programme aims to equip government officials to design AI and data governance frameworks that protect privacy and intellectual property, while maximizing economic benefits.

In this regard, we would greatly appreciate your assistance in disseminating this information to the relevant officers within your Ministry and the institutions under your purview. In view of the programme's relevance to the mandate and functions of your institution, we would be grateful for your kind consideration in nominating a suitably qualified candidate for participation.

Kindly note that all nominations should fully comply with the guidelines set out in the programme details attached herewith, and be submitted in accordance with TA Circular 2013/2014 (ii) dated 24th October 2013, issued by the Ministry of Finance and Planning.

The nomination, accompanied by the following documents, should be submitted to reach ERD by 2:00 PM on 21st May 2026:

- Nomination letter with the recommendation from the relevant Ministry
- Application (a copy of online application)
- Duly completed ERD Form (downloadable from www.erd.gov.lk)

It is to be noted that a maximum of two nominations from Sri Lanka may be selected for this programme. The allocation of these opportunities will be strictly based on the qualifications, experience, and competitiveness of the nominees, with the final selection made solely by the Government of Singapore. Special emphasis will be placed on the relevance of the nominee's current role, responsibilities, and potential to apply the knowledge gained, which will be critically evaluated during the selection process to ensure that the most suitable candidates are chosen.

Please be informed that once selections are confirmed, nominees are expected to honour their acceptance and refrain from withdrawing except under exceptional and unavoidable circumstances. As these training opportunities are extended for the benefit of the country, withdrawals after selection adversely affect Sri Lanka's standing and result in the loss of valuable training slots, while depriving other deserving officers of the opportunity. Accordingly, both nominees and respective Ministries/organizations are kindly requested to ensure that applications are submitted only with a firm commitment to participate.

Instructions for applicants are available at <https://go.gov.sg/start-guide>, and nominated applicants are strongly advised to register online at their earliest convenience. As this is an online application process, nominees are required to submit their applications via <https://go.gov.sg/deai26>. Timely submission of the online application together with all required documents will enable this Department to process the nomination with the necessary endorsement, as required by the organizers, and facilitate the allocation of the training slot for Sri Lanka.

This programme presents a valuable opportunity for the Government of Sri Lanka to further enhance the knowledge and leadership capacities of its officials. Accordingly, your cooperation in nominating the most suitable candidate to effectively utilize this opportunity would be greatly appreciated.

Your early response in this regard would be highly appreciated.

Tharanga Liyanage
Additional Director General
